2022 Mayoral School Chaplaincy Support Breakfast

Please come along and support our local school chaplains and the important work that they do within our regional schools. Our school chaplains help to bring hope to our young generation through their one-on-one services. Through positive and supportive relationships, they help our young people with everyday life matters, as well as the more critical issues like substance abuse, relationship issues, family breakdown, depression and low self-esteem.

Guest Speaker: **Darius Boyd**

Former Brisbane Bronco, Darius Boyd is a mental health advocate who would most recently be recognised for his appearance on reality TV show SAS Australia. Darius is attached to the Broncos Resilience Program promoting proactive corporate and community mental wellbeing. During his successful NRL career Darius represented Australia and Queensland but retired in 2020 to focus on his own mental health.
